Acronis Cyber Protect launch promotion: Buy an Acronis Cyber Protect subscription with up to 20% discount

Backups are essential to restoring data, but this strategy alone is not enough to protect organizations. Customers need to adopt a comprehensive cyber protection approach to help mitigate the risks associated with today's modern threats.

All customers who want to buy an Acronis Cyber Protect subscription license can do so with up to 20% discount off the regular price – which is the same price as an Acronis Cyber Backup subscription. Your customers can eliminate a significant capital expense and avoid hidden costs with subscription licensing, and you can ensure recurring revenue by selling subscriptions for multiple years.
